There are many worthwhile children's charities that do not have the ability to raise funds necessary to cover all their needs. The charities supply medical care, education, clothing and many other essential needs to the children under their care. It is the children in those organizations to whom we are dedicated.

Since its founding in 1952, Help Youth Charities Fund has responded to deserving charitable children's organizations by providing the capital that they need to continue and expand their services.

The Help Youth Charities Fund is a 100% volunteer driven organization with no paid staff.

Every penny raised goes directly to help kids!
